Lead Early Years
Practitioner

About Me

I joined Clifton Hall School in 2018 and feel incredibly fortunate to spend my days helping children learn, explore and grow. I particularly love encouraging children to follow their curiosity and discover new things through hands-on experiences. My favourite activity is bug hunting and exploring nature with the children. We are so lucky to have beautiful woodland right on our doorstep. If I could take the children on any imaginary adventure, it would be to a magical island where friendly dinosaurs, dragons and unicorns live together!

Fun Facts

- * My favourite childhood book was Thumbelina by Hans Christian Andersen
- * I love playing board games and I'm very competitive
- * My hobbies are reading, walking and baking

Would you rather?

Tea or coffee? **Tea**
Beach or woodland? **Woodland**
Early bird or night owl? **Early bird**

Favorite Quote

*If you have good thoughts they will
shine out of your face like sunbeams
and you will always look lovely.*

- Roald Dahl in 'The Twits'
