

# Meet Mrs Kelly

Early Years Practitioner

## About Me

I joined Clifton Hall School in 2012 and love helping children grow in confidence, independence and curiosity. One of my favourite things is sharing stories and using imagination to bring learning to life.

I love walking to our magic tree and creating stories with the children, then seeing what they remember when we visit again. If I could add one magical feature to Cedar Early Years Centre, it would be a magic door that could take us anywhere—from other countries to outer space or even deep under the sea!
