About Me

I joined Clifton Hall School in January 2024 and have loved being part of such a warm and supportive community. I am passionate about helping children build confidence, develop new skills and discover the joy of learning through play.

One of my favourite things about Clifton Hall is our wonderful outdoor environment. Whether we're exploring the woods or building snowmen together, I love seeing the children's excitement as they learn, play and grow.

Fun Facts

- * I love a walk on the beach
- * My favourite book is *The Borrowers* by Mary Norton
- * My hobbies are reading and knitting. I'm currently learning how to upholster chairs

Favourite Quote

We don't stop playing because we grow old; we grow old because we stop playing.
