

S3 – MODERN & FOREIGN LANGUAGES

You may work on any of the following tasks to practise your vocabulary and grammar at home:

LINGUASCOPE - INTERMEDIATE (VOCABULARY, LISTENING & READING)

You may choose a topic that we have done before and revise vocab and structures or you can look at any of the other topics. Take notes of any new vocabulary or phrases that you come across.

THIS IS LANGUAGE (LISTENING, VOCABULARY & GRAMMAR)

Using this website you can practise listening comprehension, vocabulary and grammar. Try to aim for a mix and select activities with at least 2 stars. You may be set some tasks so please check the website regularly.

QUIZLET (VOCABULARY & WRITING)

You can either practise any of the study set already there or make up your own with any new vocabulary you have found doing any of the above activities. You may be set a new study set to work on so please check the website regularly.

If you have any issues or questions, please get in touch:
